MISSION STATEMENT

Bitterne United Reformed Church exists to praise and worship God, to reach out into the community in love and service so the joy of Christ Jesus may be shared.

A Message from an Elder

Hello All,

As many of you know I retired on the 1st May. Also many (if not all) of those who have had the privilege of retiring say you never know how you fitted in time to work. That seems like May for me & June is filling out fast, but I am trying to take time out to do some walks. I succeed on doing this the 1st week of retirement by taking a walk from my house to the White Swan Mansbridge. The weather was sunny & I walked along riverside park as many of you may have done. I have never seen so many Geese & their goslings sunning themselves on the grass & swimming in the river in a line behind their mums, watching as dogs on leads walked passed & hissing madly warning them to stay back but surprisingly ignoring my friend & myself. It was beautiful to see & watched them for ages.

We also noticed inside the children's play park at the back of the social club someone had planted some wild seeds, all flowering again looking so beautiful with mixed colours blues, whites, yellows I had never noticed before. As we walked there was a section where all the tiny bits of cotton (as I call them) blowing off the trees making it looked like it was snowing. All of this reminded me of God's creation & the services we have heard recently in our church. How much notice do we take when we walk around at God's work & creation. How many times do we say when did that change, I don't remember seeing that before & it may be 6 months or 2 years. Let's look around in all our local areas & places we go on holiday & say thank you to God for all that we see.

Enjoy your Spring & Summer.

CHURCH FAMILY NEWS

We give thanks that some of our members who have recently been poorly are now improving and able to worship with us again. We think of those facing life changing challenges regarding employment and financial hardships. Some of our friends are revising for exams and we ask that they are able to approach these milestones with the knowledge you have given them a calmness that will enable them to do their best.

A PRAYER FOR OUR CHURCH FAMILY

Loving God

We lift before you all who are poorly today — in body, mind, or spirit. Surround them with your gentleness, ease their pain, calm their worries, and let them know they are held in your unfailing love. May your healing presence be close to them and to those who care for them.

We give thanks for those who are well — for energy, for strength, for the simple gift of waking to a new day. Help us never to take these blessings for granted, but to use our wellbeing in service, kindness, and compassion.

We pray for all who are revising for exams, carrying pressure, expectation, and long hours of study. Grant them stamina when they feel tired, clarity when their minds feel crowded, and peace when anxiety rises. Remind them that their worth is found in you, not in grades or outcomes.

And in all these things, we thank you, gracious God, for being our constant help, our steady guide, and the One who walks with us through every season of life.

Amen.

Bitterne URC Away Day 2nd May to Petersfield URC

What a lovely day we had at our Bitterne URC Away Day. From the moment we arrived at Petersfield URC, there was a real sense of warmth, laughter and togetherness - helped along by the sunshine too.

We began with a mix of thoughtful and delightfully silly questions that helped us get to know one another better, bringing both laughter and genuine connection. Ruth White then led an inspiring Bible session, helping us reflect on who we are as a church family and renewing our sense of purpose as we serve the wider Bitterne community.

Jill treated us to a delicious, cooked lunch, with plenty of homemade cake to enjoy throughout the day.

The afternoon brought creativity, rest and fun, with indoor skittles, candle decorating, canvas printing, stencil art, and two lovely workshops from our own congregation - Ian's rug-making and Jan's napkin-folding. There really was something for everyone.

It was a day full of fellowship, laughter, learning and joy. We came home feeling refreshed, re-energised and grateful. A huge thank you to Chris Noyce for driving the minibuss, and to Petersfield URC and Ruth for such a warm welcome.

COMMUNITY LUNCH – First Thursday of the month

This month: **Thursday 4th June at 12.00 midday.**

The cost is £6 for a main course and dessert.

Everyone is welcome.

Exam Season

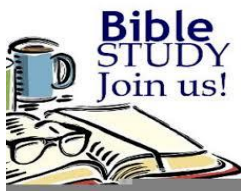

As many of you may know, we're right in the thick of exam season - that stretch of weeks filled with revision notes, practice papers, and plenty of nerves. Around church we've been hearing about GCSEs, A-levels, and college assessments, and we know it can feel like a lot to carry.

So, to all our wonderful young people: **well done** for everything you've already done and **keep going**. Your hard work, resilience, and determination don't go unnoticed here at Bitterne URC. Keep going, take breaks, breathe, and remember that your worth is never measured by a grade. We're cheering you on, praying for you, and celebrating every step you take. You've got this - and we're right behind you.

Chloe's Work Experience

Chloe has been a wonderful addition to church life during her work experience. She threw herself into everything — from printing and preparing AGM papers to confidently using the photocopier, PowerPoint and even learning how to retrieve CCTV clips. She helped edit videos for our reunion service and social media, bringing great ideas and real creativity. Behind the scenes, she kept Brigades running smoothly and supported a funeral wake with kindness and initiative. Chloe's enthusiasm, curiosity and cheerful confidence shone through every task. It's been a joy having her with us, and we're grateful for all she contributed.

Our next Bible Study meeting is being held on Wednesday 24th June 2026, 7:30pm at Anne's house.

40th Anniversary updates

As part of our 40th anniversary year in the precinct, we've been delighted to host events that bring our whole community together.

Both these events have been joyful markers of our 40th year - moments of community, generosity and celebration. And with more anniversary activities running throughout the year, we look forward to welcoming many more people through our doors.

Our concert with the **Solent Fellowship Band** on 24th April was an uplifting evening. The band filled the church with expressive music and fellowship, and it was wonderful to see so many people gathered to celebrate with us. Thanks go to everyone who helped organise the night, welcomed guests, and provided the delicious homemade cake during the interval. We're thrilled to share that £800 was raised, split between the Southampton Music Trust, helping more young people access music, and the Sholing Salvation Army Community Kitchen, supporting its work of hospitality and service. *Nikki Fisher*

We also enjoyed a fantastic **Christian Aid Quiz Night** on 16th May. Many thanks to all who supported our recent quiz in aid of Christian Aid. Hazel Roberts from Peartree

Green United Reformed Church was once again our quizmaster and did an excellent job. Jill and Sue provided a ploughman's supper for 86 people and the winning team was from Holy Saviour (although they were all formerly Methodists!) The amount raised, including the donations from Sundays Christian Aid service came to nearly £1000, which was excellent. Very many thanks once again.

Southern Fellowship Anniversary Service

This is a photo which Revd Mike Perrott took at the conclusion of the Second Anniversary Service of the Southern Fellowship which was led by Mike at Braishfield URC on 9 May 2026.

The photo shows Revd Stephen Thornton who gave the sermon and representatives of the Southern Fellowship churches all waving as requested. Following the service we went to the Village Hall for Celebratory refreshments and a time of fellowship.

It was good to have the opportunity to meet our friends from the churches after the service in the Village Hall.

Janet Gotham

I was fortunate to attend the second anniversary service of The Southern Fellowship of United Reformed Churches at Braishfield.

The beautiful church was completely full with representatives from all the churches. Revd. Mike Perrott led the service which included prayers and Bible readings by members of churches in the Southern Fellowship and an inspiring sermon by Revd. Stephen Thornton.

In the order service there were initials which he explained during his sermon as being key to the URC

R & ER - Reformed and Ever Reforming

PAB - Priesthood of All Believers

D by C - Decision by Council

C of B – Centrality of the Bible

FFS - Freedom from the State

F in W - Freedom in Worship

The biggest challenges, for me, listening to the sermon were PAB and D by C. Firstly, a reminder that, as believers, we are all called to share God's love and message wherever we find ourselves. Secondly, in D by C Stephen spoke about the Synod and General Assembly and also Church Meetings. He said that they should be looked forward to by members and that they should focus on the church's mission, not on looking after the fabric of the church - the church building. We should be excitedly discussing what God is doing at Bitterne URC, how we are serving our community and how we are taking God's love and the message of His desire and ability to transform lives into the people around us. Definitely food for thought.

A similar message came in our Church Away Day the week before when Ruth shared the Bible passage from Matthew 28 - the Great Commission - reminding us that we are all Jesus' hands, feet, mouths on the earth and that we are empowered by God's Holy Spirit to share the message and His love in our church and in our local area and in the wider world. May we be willing servants of Christ. Amen. **Penny**

Would you like the opportunity to read from the Bible during the service on a Sunday? Please make Dave aware and he will pop you on the rota as a reader. With thanks.

Women's Group - Hearing Dogs for the Deaf

At our last Women's Group meeting we had a rather beautiful, cute and very bouncy visitor, Richie. He's a 15 month old cocker spaniel being trained by our guest speaker, Malcolm Board, who has been a volunteer with Hearing Dogs for the Deaf for 12 years.

It was a very informative and interesting session, and great fun watching Richie, who could hardly keep still for a few seconds! We learned that the charity uses spaniels, cockapoos, poodles and labradors who live with volunteer trainers when they are old enough to leave their mothers. They are taught by a reward system to respond to noise, and to lay down after alerting the person when there is danger, eg a smoke alarm.

Once trained, they are matched with a profoundly deaf person and become their ears by responding to the door bell, smoke alarm, etc. They wake the person up in the morning when they hear the alarm clock. Many people who are profoundly deaf have mental health problems as being deaf can be extremely isolating and difficult. The dog gives the person a new confidence and a new social network as the dog needs to be walked.

The dog wears a purple vest so it is easily noticeable that the person is deaf. The charity also provides practical and emotional services, transforming the lives of those affected. Please have a look at their website to see testimonials from deaf people who have been given a new life by having one of these clever dogs.

Some facts about hearing loss

- 1 in 6 of the UK adult population is affected by hearing loss. 8 million of these are aged 60 and over.
 - 6.7 million could benefit from hearing aids but only about 2 million people use them.
 - People take around 7 years to admit they are hard of hearing and seek a hearing test.
 - About 900,000 people are severely or profoundly deaf.
 - About 12,000 people in the UK use cochlear implants.
 - Many people with hearing loss also have tinnitus which affects 1 in 10 adults. They may also have balance difficulties.

Summer Tea party – Thank you

A big thank you to the Bible Aunties who came to the Girls Brigade tea party on 18th May. The girls loved chatting with you, painting kindness pebbles, and decorating the cakes they had made especially for you. This is the “service” part of their summer badge, and the girls did an excellent job. Of course it ended with everyone enjoying the sweet treats together!

Girls Brigade Camp - Swanage

Saturday 25th July – Wednesday 29th July

This July, our Girls' Brigade will be off to Swanage for a fun-filled summer camp, joining friends from Totton, Eastleigh and Chandlers Ford. Fireworks, crazy golf, midnight feasts, crafts, fellowship and beach trips - it's set to be a wonderful adventure!

To add a little treat to their beach day, we're inviting **Bible Aunties and Uncles to donate the price of an ice cream** for their girls. You are also welcome to send a postcard while they're away, please speak to Rosie for the camp address. If you'd like to become a Bible Auntie or Uncle - or you're already one and would like to be added to the **WhatsApp update group** - please contact **Rosie on 07766 146993**.

The Leprosy Mission

Back in April we had a church service led by Philippa Matthews who is our representative for the Christian charity, The Leprosy Mission. In 2026,

leprosy is still widespread across the world in low-income countries, with someone being diagnosed every 2 minutes. It is curable if caught early, and in Bangladesh, they are researching a new finger prick test that could diagnose leprosy in the very early stages. This would revolutionise treatment, as the earlier leprosy is diagnosed, the better the outcome. This test is still years away from being ready. The aim is it will be fully transportable to remote communities and conflict zones.

Our guest speaker, Isaac, spoke of the Karuna Project (Karuna means compassion) in the slums of Mumbai. An LM ambulance with trained health workers and medical supplies travels around the slums, welcoming and caring for those with leprosy. These people can't get help anywhere else because of poverty and stigma. They also raise awareness of leprosy so people can recognise the signs and get treatment earlier. This also reduces the fear and discrimination suffered. Wives are often abandoned, children are ostracised, so LM are also working with human rights organisations to change discriminatory laws.

Self-care is taught to prevent infection, and the ambulance visits every fortnight to provide medicine and dressings. This is important because leprosy affects nerve endings and can result in amputations and blindness. LM have set up free tailoring classes to enable sufferers to earn a living. So far, 40 tailoring graduates have become successfully self-employed.

This all has been funded with help from our donations. Please pray for the Leprosy Mission and those affected by leprosy, that they get the help they need.

BIG CLEAR OUT

Has anyone seen the hoarding programme with Stacey Solomon? She goes into homes where people have a lot of items and then take all the items to a hall and lay them

out. The person then has to sort out what they need to keep, give to a charity shop and throw away.

The church over the past 40 years has accumulated a lot of items, many of which have seen better days and items that have not been used for years and have been forgotten about. I suggest that we empty ALL the cupboards including the loft and put all the items in the hall (including the Girls Brigade and the Boys Brigade cupboards) and then have a big sort out. The cupboards could then be reallocated to where people need them, close to where they meet.

Any items unwanted could then be sold, donated or thrown away and we would have items to where they need to be to make it easy for people.

This could be done when the hall is not being used for a few days and everyone could be involved.

Date to be given out later.

Come help us make our first Summer Fair a joyful community moment!

A small update from Anthony Boys.

I would like to report back after a productive meeting regarding my Uganda work.

I am keen to start a scheme to sponsor a school in Uganda. What this would

entail is helping to fund the necessary materials for the schoolchildren, such as books, pens, desks, chalks, uniforms, shoes for walking to school, and food for school dinners.

I am very enthused to talk more with the Congregation about this, about any feedback, ideas, and possible support.

I am also willing to organise a Church trip out to Uganda in the summer of next year, either in the latter half of July or in August, for 2 weeks (this is so it won't clash with the school term/ Brigade Session). I am aware there is interest, both within our Church and among others in the local community, that wish to visit Uganda.

A possible itinerary for this trip could involve spending one day each with the Leaders I work with over there, as well as time to see the source of the Nile (which is near to where I work), as well as an excursion to a National Park for a few days (most probably Murchison Falls), and potentially a visit to the Equator if possible.

Thankfully, there are direct flights to Uganda from Gatwick with Uganda Airlines, so getting to and from there will not be a problem. The place where I work is about 3 hours from Entebbe Airport.

Again, I am very happy to talk more with anyone who has thoughts or feedback.

Outreach Update – April to May 2026

Hello everyone, It's been a great couple of months across our church and community, with lots of creativity, collaboration, and celebration.

Here's a little glimpse into what's been happening recently.

April began with the wonderful success of the Great Bitterne Bake Off. It was such a joyful event, full of laughter, and some truly impressive bakes! It was lovely to see so many churches involved, and the feedback has been overwhelmingly positive - many people are already hoping it will return next year! A massive thank you again to everyone involved.

We also enjoyed a fantastic Salvation Army Band Concert, which brought a great crowd into the church. Thank you to everyone who helped make the event run smoothly - from parking arrangements to refreshments.

Alongside events, there's been lots happening behind the scenes. The website continues to grow, with updates to our all our key pages as well as adding "Life events" pages. I've also been keeping social media active with posts and videos for all our events as well as Christian Aid Week, Earth Day, upcoming services, and our Away Day - which was a real highlight to share.

I've also been supporting the inclusive worship team, preparing for future services and exploring funding options for mixed-ability groups. I also met with Sholing Music Man Project to gather ideas for a mixed-ability activities. It's exciting to see how this could grow into something really meaningful for our community.

And of course, Outlook continues to keep me busy - gathering stories, adding dates, and celebrating all the life happening in our church family.

Thank you, as always, for your encouragement, kindness, and partnership. It's a joy to serve this community and to see how much we can achieve together.

With appreciation, *Nikki*

Volunteers Needed

We are starting a **Care and Connect Cafe: a dementia- friendly carers café** and are looking for warm, friendly volunteers.

The café will offer a welcoming space for unpaid carers who support people living with dementia - with conversation, activities, refreshments and listening support.

No experience needed - just kindness, patience and a willingness to learn. Sessions will run once or twice a month on Tuesday mornings or Friday afternoons.

Roles are shared and on a rota basis, training is provided. If you're interested in helping, even occasionally, we'd love to hear from you! Contact Nikki for more information.
